Re-Creation To Entertain Hospitalized Veterans

DALLAS – Re-Creation’s “***Dancin’ in the Streets!***” show will perform at Dallas VA Medical Center April 6 at 2 p.m. in the Atrium, bringing a new stage presentation to hospitalized veterans and their guests. Re-creation provides a national program of live entertainment for the 154 VA medical centers across America.

Re-Creation ***Dancin’ in the Streets*** spotlights great songs and great stars as America’s young ambassadors to hospitalized veterans focus on this nation’s best loved music. Dynamic vocal renditions are enlivened by intricate, disciplined dance and choreography as the stage... and the entire room...virtually erupt with Re-Creation excitement.

Re-Creation was founded in 1976, and performs in all 50 states. Credits include appearances at some of the nation’s most prestigious fairs and festivals, at local, regional, state and national corporation banquets, conventions and resort areas. Civic clubs, fraternal groups, schools, and public private organizations keep Re-Creation booked for more than 300 concerts a year.

Re-Creation travels with comprehensive sound equipment and staging materials. Each Re-Creation performance is a full variety production designed to provide unique and satisfying musical entertainment. This program is free and open to the public. Please contact Jerry Hopkins, chief of Recreation Therapy Service, at 214 857-1270 for more information.
